

5.2.1 Quality Policy

Steel-Fab, Inc. recognizes that the disciplines of quality, health and safety, and environmental management, are an integral part of its management function. The Organization Quality policy calls for continuous improvement in its Quality management activities and business will be conducted according to the following principals:

- Steel-Fab has made a commitment to understand our current and future customer's needs; meet their requirements and strive to exceed their expectations.
- Steel-Fab Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.
- Communicate its Quality objectives and its performance against these objectives throughout the Organization and to interested parties.
- Work closely with our customers and suppliers to establish the highest Quality standards.
- Steel-Fab recognizes that an organization and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory and legislative responsibilities.

We have produced quality objectives which relate to this policy, and they can be found in document 42102 Quality Objectives.
